Gymnastics for Children with special needs

What is Gymnastics for children with special needs?

A place where a child will learn gymnastics, social, and group skills while having fun on gym equipment, trampolines, and floor mats. Special Educators and Behavior Analysts also trained in gymnastic skills will teach your child in a group setting. Your child will learn specific skills, coordination, and social interactive skills while having a great time.

Who is this for? (ANY of the following below)

- Children with any type of learning delay/challenge.
- Children anywhere on the Autism Spectrum
- Children with mild behavioral challenges

What do we get?

- Special needs expert staff
- Enhanced ability to follow group structure & rules
- 2 hour block sessions
- 16 week sessions
- Physical skills
- Exercise
- Coordination skills
- Social skills

Call for specific days and times**

(*Groups are coordinated according to age) (**Contingent upon minimum number in groups)

Who are we?

We have been serving children of all ages in the area since 1994. Eileen C. Quinn MS-ABA, BCBA founded this business on the principles of Applied Behavior Analysis and Therapy. Eileen has over 20 years experience with a wide range of ages and diagnoses. The BehaviorExcellence™ Team consists of Board Certified Behavior Analysts (BCBA), Behavior Specialists, Special Education Teachers, and Field Specialists.
