Social Skills Development

What is the Social Skills Development?

A place where a child, who is having social challenges, will learn to play and socialize with others. We place emphasis on interacting with peers, problem solving, and forming friendships. We strive to meet individual needs within a group setting. Each class focuses on skills associated with conversations, interactions, conflict resolution, and understanding non-verbal language and cues.

Who is this for? (ANY of the following below)

- Children who are having trouble interacting/relating with peers
- Children who are having social issues
- Children who have an Asperger's diagnosis

What do we get?

- Small class sizes
- Groups designed for 5-8 yr olds and 9-12 year olds
- Goals Developed for 'Your child'
- Parent Training
- Year-round & summer programs

(call for specific days and times**)

(*Groups are coordinated according to age) (**Contingent upon minimum number in groups)

Who are we?
